

Lab Discount Services

LabCorp and Lab Card are programs offered by your employer that helps you and your covered dependents save money on covered laboratory services when testing is performed at LabCard or LabCorp.

DO I HAVE TO USE THE LABDIRECT PROGRAM?

You are not required to use the discount program; however, by participating in the program, you and your covered dependents can save money on covered laboratory services.

HOW DO I TAKE ADVANTAGE OF THE PROGRAM?

Simply present a physician's order for covered laboratory testing and your insurance card with the LabCorp or LabCard logo at any LabCorp or LabCard specimen collection lab.

WHERE CAN I GO TO RECEIVE DISCOUNTED TESTING?

To locate a specimen collection lab near you, use the Find a Lab feature on LabCorp's website at www.labcorp.com or by phone at 1-888-522-2677. For Traditional Plan, to locate a LabCard collection lab near you, visit www.labcard.com or call 1-800-646-7788. For High Deductible Plan, to contact LabCard collection lab near you, visit www.labcardselect.com or call 1-800-750-1253.

The screenshot shows the LabCorp website's 'Find a Lab' page. It features a navigation bar with links for Home, Services, About Us, Research, Careers, and Contact Us. Below the navigation, there are tabs for Patient Home, Find a Lab, Schedule an Appointment, My Test, My Bill, My Tools, Resources, Results, and Patient Support. The main content area includes a map of the United States and text explaining online appointment scheduling, which is available at all LabCorp sites. It notes that appointments must be made 2 hours prior to time of arrival and that sites are generally busiest from 10:00 AM to 11:00 AM. There are also links for 'LabCorp Beacon, Patient' and 'Patient Billing & Payment Options'.
