with GoodRx

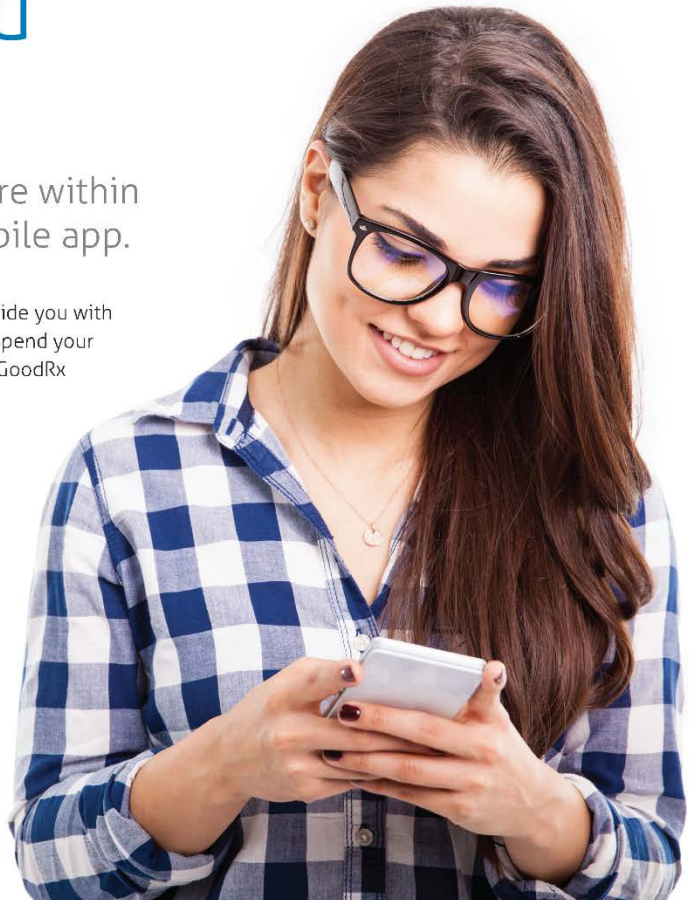

Personalized Savings

Lower prescription prices are within reach using our web or mobile app.

At Magellan Rx Management, we continually provide you with cutting-edge technology to help you effectively spend your health care dollars. Log in to MRx Empower with GoodRx and easily identify savings opportunities.

Finding the lowest cost prescription drugs in your area before you fill new prescriptions or view your existing prescriptions and transfer them online to a lower-cost pharmacy. You can also be alerted to savings opportunities, such as generic and therapeutic alternatives. The easy-to-use, intuitive online tool:

- Can save you as much as 50% or more on certain prescriptions
- Takes only a few clicks to transfer prescriptions to a lower-cost pharmacy
- Identifies the best pharmacy for bundling prescriptions
- Provides simple and actionable tools to become more informed and better consumers of your prescription benefits

MRx Empower with GoodRx Mobile App

Pharmacy benefits at your fingertips

- Search and compare prices on your prescription drugs
- Find a lower price at a different pharmacy
- Transfer that prescription right from the app

Download the app today for Apple or Android devices at: <http://mrxempower.magellanrx.com/mobile>
