

# Direct Imaging (Yellow card Services)

Direct Imaging LLC, a subsidiary of Direct Care LLC, is a freestanding outpatient imaging services (MRI, CT, Ultrasound and X-rays) facility that offers the most affordable out-of-pocket cost in the area.

## Who We Are

At Direct Imaging, we use the most advanced Siemens MRI technology, equipped with 1.5 Tesla scanners. To meet other imaging needs, we also offer Siemens 64 slice CT Scanner, Digital X-Ray and Ultrasound.

## Our Services

### Professional interpretation

- All exams are interpreted by Summit Radiology board-certified radiologist
- Images and reports are available through secure, HIPPA-compliant website or via CD

### Fast and Efficient

- Results are sent within 24 hours, STAT upon request.

### Why Direct Imaging?

- One Flat Rate
- Lower Out-of-pocket Cost
- Advanced Technology
- Same or Next-day Appointments
- Rapid Results
- Comfort and Convenience
